Επιχειρησιακό Πρόγραμμα “ΚΡΗΤΗ” 2014-2020

The company Delfina Beach, based in the Region of Crete, joined the Action “Digital Upgrading of SMEs in the Region of Crete”. The aim of the action is to strengthen micro and small-sized enterprises through the purchase of innovative ICT applications with a view to strengthening the ICT implementation arm as a key support technology to achieve productivity improvements and promotions by businesses and farms.

The total budget (100% Public Expenditure) of the investment is 15.000 € and is co-financed by the European Regional Development Fund (ERDF) under the Regional Operational Program “CRETE” of the NSRF 2014-2020.

The business plan approved for financing and implemented includes investments in the following categories:

✓ Supply, transport, installation and operation of new ICT machinery and other equipment

Through participation in the Action, the company achieved:

- ✓ improving competitiveness
- ✓ increase in profitability
- ✓ enhancing extroversion
- ✓ strengthening entrepreneurship
- ✓ creating/maintaining quality jobs

With the contribution of OP Crete 2014-2020 the company was strengthened, bringing benefits to the competitiveness of the country as well as to the local economy.
